Did you know that ITN Bluegrass provides medical eye care rides at no charge?

Thanks to a generous grant from Regeneron Pharmaceuticals of Tarrytown, NY (a maker of several ophthalmologic drugs), ITN Bluegrass riders have taken thousands of dollars in eye care trips over the past several years. We delivered \$840 worth of rides in January 2017 alone! Thank you, Regeneron!

Letter from the Executive Director

Happy Valentine's Day! We just mailed our first Valentine's Day gift certificate (that I remember anyway) — the gift of transportation is a great way to say you care! If you need a gift for one of our member-riders, keep in mind that we can make gift certificates to match any occasion...or no occasion at all.

We've had a fairly mild winter and our ride numbers reflect that. As we head into spring, these numbers will continue to increase. If you are a safe driver, we could really use your help! You can drive as much or as little as you'd like, on your schedule. Earn mileage credit that you can accrue for your own future use or donate to someone to offset their ride costs. Call me at 859-351-0460!
